

TURKEY PROGRAM

Community Action Committee of Cape Cod & Islands needs your help. Please consider adopting a family that needs a turkey and all the fixings to make their holiday one to be thankful for.

To adopt a family to receive a Thanksgiving Turkey Dinner:

Please fill a disposable aluminum roasting pan or box with the FIXINGS on this list and purchase a frozen turkey, 15-25 pounds. Gift card valued \$25 from a Supermarket can be substituted for the frozen turkey.

Drop off your donation starting Nov 18-20 or on Monday Nov 23rd at 115 Enterprise Rd, Hyannis from 9-5 p.m. We are located opposite the former Linens and Things behind the Cape Cod Mall. This is the headquarters for Community Action Committee of Cape Cod & Islands, a non profit agency which hosts the Turkey Program for the families enrolled in its programs for self sufficiency who are in need.

We have 200 families on our list and hope you will be able to adopt one or more as feasible for you or your group.

Please call 508-771-1727 to sign up to sponsor a Thanksgiving Turkey dinner or email Claudia Robinson at claudia@cacci.cc

FIXINGS List
