

2022 Thanksgiving “Turkeys for Cape Codders”

We need your help for those less fortunate during the season of gratitude. For the past 17 years we have been assisting families in our community with Thanksgiving baskets and turkeys so those who might need a little help have a delicious meal. In 2021 we assisted 200+ families. **This year we are again going to have a curbside pick-up on Saturday, Nov. 19.**

Together with St Mary’s Episcopal Church and our important community partners like you, we will provide each family with a frozen turkey and a supermarket gift card so families can purchase all the fixings for that delicious Thanksgiving meal.

So How Can You Help?

It is simple. We are looking for supermarket gift cards or cash donations.

For instance, a \$75 gift card supports a family of 4 and \$100 supports larger families.

ANY size gift card will help us help others.

Please join us in making this a joyful Thanksgiving for those less fortunate.

We ask that donations be received by Thursday, November 10, 2022.

PLEASE NO TURKEY DONATIONS (FROZEN OR FRESH) THIS YEAR.

If you wish to contribute, you can purchase a gift card in any amount or make a monetary donation.

- Checks should be made payable to CACCI (Thanksgiving) and mail to:
CACCI, 88 North Street, Hyannis, MA 02601.
- If you want to pay by credit card: Please visit Community Action Committee website www.cacci.cc And navigate to Thanksgiving Commitment Form.
- Supermarket gift cards: Please bring them to Community Action Committee of Cape Cod & Islands, 372 North St, Hyannis, Monday-Friday between 8:30am-3:30pm. Reception staff will take your donation. We ask that you please wear a mask.

Thank you for your Support!

If you know a family in need, please have them call Community Action Committee of Cape Cod & Islands 508-771-1727 ext. 117 to Register. Registration Deadline is November 10.
