## THE DEPARTMENT OF EARLY EDUCATION AND CARE SUBSIDIZED CHILD CARE PARENT TRANSPORTATION REQUEST FORM

In limited circumstances, subsidized families may be approved for transportation between home or school and child care. Subject to funding availability, programs will be reimbursed at the Department of Early Education and Care (EEC) approved rate for one way or round trip transportation, based on a family's need. Subsidy Administrators must assess and document the parent's need for transportation, taking into consideration such factors as: (1) the availability of public transportation; (2) whether a parent has a car; (3) any physical incapacity of the parent that may prevent the parent from transporting the child; and (4) whether the parent's work schedule prevents transportation of the child to or from care. A family who lives within one half (1/2) mile of the provider will not receive transportation funding, unless exceptional circumstances exist. Please refer to the EEC Financial Policy Guide for guidance.
